RE: ASP.NET Developer

Dear Hiring Manager,

I was excited to learn about the ASP.NET Developer position with Skill.Jobs posted on your company's Facebook page and would greatly appreciate your considering my placement in this role (ASP.NET Developer). I've closely reviewed the needs and requirements for this role and believe that my qualifications have prepared me to contribute immediate value to your organization.

While in university, I worked hard to hone my software development and programming skills C#, ASP.NET Core MVC. I Have completed an **E-Commerce Web Application** project with payment gateway. I am focused and attentive to detail when addressing high-volume task loads to meet deadlines. I am inspired by making a positive impact by applying my problem-solving abilities allow me to address challenges to achieve results.

I have Skills in these areas:

- ASP.NET Core MVC
- Entity Framework
- Microsoft SQL
- Html, CSS, Bootstrap
- JQuery
- Git

My academic experiences have served me well in developing my communication, problem-solving, and teamwork skills. I work well to use clear and concise communication to interact professionally with co-workers, supervisors and customers. I look forward to speaking with you regarding my skill set and attributes which I believe will serve as an asset to support Skill.Jobs's goals. Please take a moment to review my attached resume. Thank you for your time and consideration.

Please take a look at my enclosed resume for more details about my work experience and qualifications. I'd really like to speak with you more about the position, and I look forward to hearing from you soon.

Sincerely,

Md. Tamjidur Rahman
