RE: ERP Executive (Implementation)

Dear Hiring Manager,

I'm applying for the ERP Executive (Implementation) position, which I saw advertised on bdjobs.com website. I believe I meet all the essential criteria for the role and I feel I can make an effective and immediate contribution to your team.

I handled various responsibilities in my previous Junior MIS Executive position and quickly established talents in prioritizing task, meeting deadlines and finding solutions to eliminate obstacles. My career has enabled me to developed and establish skills in such key area:

- ERP Management
- ERP Training
- ERP Implementation
- Software and hardware management

I am grateful for the opportunities afforded me in my prior position, and I'm ready to put those skills to use for your company. I am looking forward to new challenges, collaboration with a fresh team of talented professionals.

Please take a look at my enclosed resume for more details about my work experience and qualifications. I'd really like to speak with you more about the position, and I look forward to hearing from you soon.

Sincerely,

Md. Monir Hossain
